******[Link to Registration](#)******

Please join Dakota Ridge High School's boys' basketball coaching staff for a special shooting clinic and open gym event in April! Sean Kovar (Varsity Boys Basketball Coach) will be leading a 4-week shooting clinic designed to teach proper shooting mechanics and provide additional open gym practice time. Coach Kovar has been at Dakota Ridge for 6 years, and was a collegiate coach for 3 years prior to that. He has worked with numerous players, all ages and skill type for the past ten years. Players will learn and develop shooting skills, and get the opportunity to practice their shooting. This clinic is meant for all types of players, and all types of positions. The open gyms on Thursdays will be a great opportunity for players to get some gym time, shoot, and even play.

REGISTRATION DEADLINE IS MONDAY, APRIL 1st. If you're unable to complete registration by then, we can make exceptions and help get you signed up on the 1st day of the clinic on Tuesday, April 2nd.
